(b) and (c) Some representations have been received in this regard.

Power connections to farmers in Rajasthan

1369. SHRI SANTOSH BAGRODIA: Will the Minister of ENERGY be pleased to state:

(a) whether Government are considering to liberalise the scheme for providing power connections to the farmers in Rajasthan;

(b) if so, what are the details thereof: and

(c) if not, what are the reasons therefor?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRI KALP NATH RAI): (a) to (c) The Government of Rajasthan is considering to liberalise the scheme for providing power connections to the farmers of the State in view of the sizeable number of applications pending with the Rajasthan State Electricity Board for releasing agricultural connections. As against the target of energisation of 12,300 pumpsets duirng 1988-89, the achievement was 19,002.

Rural Electrification in Rajasthan

1370. SHRI SANTOSH BAGRODIA: Will the Minister of ENERGY be pleased to state;

(a) what is the number of villages in Rajasthan mostly inhabited by persons belonging to the Scheduled Castes and the Scheduled Tribes which have so far been electrified;

(b) what is the number of villages in Bhilwara district which are yet to be electrified; and

(c) by when all the villages of Rajasthan are likely to be electrified?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRI KALP NATH RAI): (a) In Rajasthan 24,484 villages inclusive of tribal villages have been electrified by the end of May, 1989 Out of these villages, 2610 villages inhabited by tribals have been electrified. There are no separate villages inhabited by Scheduled Castes. However, 13,270 Harijan Bastis have been electrified by the end of May, 1989.

(b) In Bhilwara district, 111 villages are yet to be electrified as on 31-5-1989.

(c) All the villages in Rajasthan are expected to be electrified by the end of

the 8th Plan, subejct to the availability of resources and other inputs.

Scarcity of drinking water in the colliery workers' colonies in IB valley coalfield area

1371. SHRI JAGADISH JANI: Will the Minister of ENERGY be pleased to state:

(a) whether there is an acute scarcity of drinking water in the Ib Valley-coalfield area in Orissa particularly in the colonies of colliery workers;

(b) whether his Ministry have any programme for providing drinking water in colliery workers' colonies in different coal mines in the country; and

(c) if so, what steps have been taken to provide drinking water to the workers in Ib valley coalfields?

THE MINISTER OF ENERGY (SHRI VASANT SATHE): (a) and (c) No, Sir. For a short period in April, this year there was a temporary dislocation of water supply to Belpahar open-cast project due to tampering of water sources, but it has since been rectified. At present, there is no scarcity of drinking water in workers' colonies in Ib Valley Coalfields.

(b) Arrangements exist for supply of drinking water to workers' colonies in different coal mining areas in the country. As against supply of 11.72 million gallons of water per day, covering a population of only 2.27 lakhs at the time of nationalisation of coal mines, the coal companies are, at present, supplying 72.97 million gallons of water per day, covering a population of 19.60 lakhs. The coal companies have a plan to increase supply of drinking water to about 32.05 lakh population by the turn of the century.

Thermal power plant at IB Valley in Orissa

1372. SHRI KAHNU CHARAN LENKA: Will the Minister of ENERGY be pleased to state:

(a) whether Governmnet have received any proposal from the Orissa Government for financing the IB Valley thermal power plant in Orissa; and

(b) if so, what are the reasons for the delay in clearing the project?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRI KALPNATH RAI): (a) and (b) The proposal of the Government of Orissa to set up IB Valley Thermal Power Plant (4x210 MW) has been approved for implementation in the State Sector for benefits during the Eighth Plan. The Units 1 & 2 of the project are under implementatiton.

Due to financial constraints the Orissa Power Generation Corporation have approached the Power Finance Corporation for financial assistance for Units 3 & 4 of the proposed Ib Valley Thermal Power Project. The Power Finance Corporation has, inprinciple, agreed to consider the above project for providing financial assistance subject to normal terms and conditions and general policy guidelines of the Corporation and the project being found fit for assistance after due appraisal.

Stoppage of subsidy under Central Investment Subsidy Scheme

1373. SHRI RAMNARAYAN GOSWAMI: Will the Minister of INDUSTRY be pleased to state:

(a) how many industrial units in different States are deprived of subsidy under the Central Investment Subsidy Scheme and on what grounds, with Statewise details thereof; and

(b) the names of the units in whose cases such subsidy was restored?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) and (b) Apparently the Hon'ble Member is referring to Circular letter dated 22-9-88 by which Central Investment Subsidy (CIS) was discontinued
